

TBR Strategic Plan 2010 - 2015

Key Priority: Quality

Improving access and completion rates in higher education can improve the lives of Tennesseans only to the degree that students acquire and retain knowledge, skills and abilities they need to become productive employees and responsible citizens. System institutions will address pressing local and global needs by engaging in research, creative work and public service that advance knowledge and create new opportunities. To achieve excellence in all areas of our collective mission, we must provide high quality academic programs, faculty, services and facilities.

Quality Goals

- 1) The TBR system and its institutions will monitor and improve the effectiveness of their educational programs and delivery of services.
- 2) The TBR system and its institutions will monitor and improve the quality of their mission-specific research and creative activities and public service.
